By Torin Alter, Robert J. Howell : A Dialogue on Consciousness bohm dialogue quot;it is proposed that a form of free dialogue may well be one of the most effective ways of investigating the crisis which faces society and indeed the science of consciousness tsc conference series since 1994 center for consciousness studies tucson biennial conferences

A Dialogue on Consciousness:

0 of 0 review helpful Five Stars By Travis Great introductory glimpse into the problem of consciousness 15 of 15 review helpful Short funny and rigorous By C Figdor This book is really an impressive achievement In six chapters just like Descartes Meditations which I m sure is not by accident Alter and Howell present contemporary philosophical debates on cons In recent years the problem of consciousness has developed into one of the most important and hotly contested areas in the philosophy of mind Many philosophers regard consciousness as an entirely physical phenomenon yet it seems to elude scientific explanation On the other hand viewing consciousness as a nonphysical phenomenon brings up even larger issues If consciousness is not physical how can it be explained Concise up to date and engaging Alter and Howell s dialogue starts by making the basic puzzles of consciousness vivid and accessible By the end it has led readers through a grand tour of many of the most central issues in the area bringing them close to the leading edge of current though
