By Adélékè Adéèkó : Arts of Being Yoruba: Divination, Allegory, Tragedy, Proverb, Panegyric (African Expressive Cultures)

Arts of Being Yoruba: Divination, Allegory, Tragedy, Proverb, Panegyric (African Expressive Cultures):

There is a culturally significant way of being Yoruba that is expressed through dress, greetings and celebrations no matter where in the world they take place. Adedunle Olufemi documents Yoruba patterns of behavior and articulates a philosophy of how to be Yoruba in this innovative study. As he focuses on historical writings, he practices the use of proverbs in contemporary speech. This book is bound to change how we think about and perhaps how we study what it is to be Yoruba. More importantly, it opens new vistas for contestations, interpretations, characterizations and identification of what being Yoruba means or entails. Olufemi
