1 of 1 review helpful Arguing through shadows By Pedro Demo Central theme is media s intrinsic ambiguity As a language although artificial it implies the ambiguity of all languages whose meaning is naturally diffuse What appears ostensibly is not what is important in life In the underground are dynamics meanings changes power It is a phantastic

research on media s disguises Evil Media develops a philosophy of media power that extends the concept of media beyond its tried and trusted use in the games of meaning symbolism and truth It addresses the gray zones in which media exist as corporate work systems algorithms and data structures twenty first century self improvement manuals and pharmaceutical techniques Evil Media invites the reader to explore and understand the abstract infrastructure of the present day From About the Author Matthew Fuller is Professor of Cultural Studies at the Digital Culture Unit Centre for Cultural Studies Goldsmiths University of London He is the author of Media Ecologies Materialist Energies in Art and Technoculture MIT Press
