By Brian O'Connor : Adorno's Negative Dialectic: Philosophy and the Possibility of Critical Rationality

(Studies in Contemporary German Social Thought) the frankfurt school and critical theory the frankfurt school also known as the institute of social research institut fr sozialforschung is a social and martin heidegger h a d r d r ; german martin had; 26 september 1889 26 may 1976 was a german philosopher and a Adorno's Negative Dialectic: Philosophy and the Possibility of Critical Rationality (Studies in Contemporary German Social Thought):

The purely philosophical concerns of Theodor W Adorno s negative dialectic would seem to be far removed from the concreteness of critical theory Adorno s philosophy considers perhaps the most traditional subject of pure philosophy the structure of experience whereas critical theory examines specific aspects of society But as Brian O Connor demonstrates in this highly original interpretation of Adorno s philosophy the negative dialectic can be seen as the theo Brian O Connor has crafted a timely and robust contribution to the ongoing reception of Adorno s work He provides a much needed and exceedingly lucid treatment of Adorno s central concerns with the nature of the object of experience and the shape of subject
