The Metaphysics of Marriage in German Idealism and Romanticism:

2 of 2 review helpful Fascinating By Philosopher This is a fascinating read It is truly astounding how such a short period in time reunites fundamental changes in philosophical thought literature and most importantly social relations One point in time condenses the emergence and criticism of distinctively modern themes how modernity shaped our most intimate and private relations The author presents these developments ldquo What a strange invention marriage is rdquo wrote Kierkegaard ldquo Is it the expression of that inexplicable erotic sentiment that concordant elective affinity of souls or is it a duty or a partnership or is it a little of all that rdquo Like Kierkegaard a few decades later many of Germany rsquo s most influential thinkers at the turn of the eighteenth century wondered about the nature of marriage but rejected the easy answers provided
