Value:

Written over a thirty year span Michael Lambek's essays in this collection point with definitive force toward a single central truth ethics is intrinsic to social life As he shows through rich ethnographic accounts and multiple theoretical traditions our human condition is at heart an ethical one — we may not always be good or just but we are always subject to their criteria Detailing Lambek's trajectory as one anthropologist thinking deeply through Lambek has come to be identified with a distinctive position within the anthropology of ethics — one that recognizes the ethical as an imminent dimension of all human social life that sees the human condition as necessarily and pervasively an
