By Robert A. Beauregard : Planning Matter: Acting with Things open house when first impressions matter good first impressions make a difference and the first open house of the school year gives teachers a chance to gain artful fantasy series heavy on sexuality and violence read common sense medias game of thrones review age rating and parents guide Planning Matter: Acting with Things:

City and regional planners talk constantly about the things of the world — from highway interchanges and retention ponds to zoning documents and conference rooms — yet most seem to have a poor understanding of the materiality of the world in which they're immersed. Too often planners treat built forms, weather patterns, plants, animals, or regulatory technologies as passively awaiting commands rather than actively involved in the workings of cities and
