By Christoph Wulf : Anthropology: A Continental Perspective northeast anthropology table of contents 1 spring 1971 articles an introduction howard r sargent p 5; the eastern an antagonists perspective by c loring brace i am going to start this essay with what may seem to many as an outrageous assertion there is no such thing as a Anthropology: A

Continental Perspective:

Originally published in German Christoph Wulf's Anthropology sets its sights on a topic as ambitious as its title suggests anthropology itself Arguing for an interdisciplinary and intercultural approach to anthropology that incorporates science philosophy history and many other disciplines Wulf examines with breathtaking scope all the ways that anthropology has been understood and practiced around the globe and through the years This is an extremely ambitious project that should stimulate both reflection on and engagement with the discipline Highly recommended
