well maybe thats overstating things a bit but Capitalist Sorcery: Breaking the Spell:

Capitalist Sorcery neither sets out a new political programme nor offers a new theory Rather it aims to encourage all those who are resistant to resignation and inertia whose stories of partial successes must be told celebrated and shared Stengers and Pignarre launch call to invention against the spell of the infernal alternatives that bind us to the capitalist realist logic of choosing between the lesser of unliveable evils To counter this capture they propose a political magic capabl
