Political Writings of Friedrich Nietzsche is an anthology that gathers together for the first time the political commentary and writings found throughout Nietzsche's corpus. Included is an historical introduction which demonstrates that Nietzsche was an observer of and responded to the political events which defined the Bismarckian era. At a moment when Friedrich Nietzsche's writings have returned to the forefront of much recent political thought and interest in his ideas has grown rapidly on both sides of the Atlantic, this timely new edition of Nietzsche's political writings is a major contribution.
