By Candice C. Carter : Peace Philosophy in Action the international institute of peace studies and global philosophy includes education aid global green university truth and peace is a lack of conflict and freedom from fear of violence between heterogeneous social groups benevolent leaders throughout history have shown restraint Peace

Philosophy in Action:

This book documents recent and historical events in the theoretically based practice of peace development. Its diverse collection of essays describes different aspects of applied philosophy in peace action, commonly involving the contributors' continual engagement in the field while offering support and optimal responses to conflict and violence. About the Author: Candice C. Carter is Associate Professor in the Department of Childhood Education, Literacy, and TESOL, College of Education and Human Services, University of North Florida, USA.
