Culture (International Library of Sociology):

8 of 13 review helpful Disappointing By Edward G Nilges A layer of scholarship is antibody to liberation The bonafide purpose of an introduction to a first rate thinker is to give the student a precis of the first rate But the obvious question one raised by Adorno in his lectures on Kant is why the student needs a mentor to explain the guru Adorno s answer was that Kantianism exists in partial independence Robert W Witkin unpacks Adorno s notoriously difficult critique of popular culture in an engaging and accessible style looking first at the development of the overarching theories of authority commodification and negative dialectics He then goes on to consider Adorno s writing on specific aspects of popular culture such as radio film and popular music a highly misanthropic but very funny and true analysis of the power and effect of the mass media Alain de Botton Telegraph The penetration coherence and astonishing clarity of Witkin prime s introd
