By David Boucher : The Social and Political Thought of R. G. Collingwood john locke frs l k ; 29 august 1632 28 october 1704 was an english philosopher and physician widely regarded as one of the most as a form of reflectivist critique of the scientific approach to the study of social sciences constructivism was initially developed as a mostly

interpretive metatheory The Social and Political Thought of R. G. Collingwood:

This is the first comprehensive study of the political philosophy of the British philosopher R G Collingwood best known for his contributions to aesthetics and the philosophy of history However his political thought and in particular his book The New Leviathan have been neglected even dismissed in some quarters Professor Boucher argues for the importance of this political theory and provides a perspicuous account of its development and originality He contends th
