a conversation The Disenchantment of Secular Discourse:

3 of 3 review helpful This book opens eyes By Charles A Clough This is a rich resource on exposing modern secular discussion s reluctance to openly mention the worldviews it surreptitiously uses Steven Smith does a masterful job of documenting how especially the academy and the legal community studiously avoid acknowledging the classical ethical sources of Western civilization even while using ill disguised substitutes T Prominent observers complain that public discourse in America is shallow and unedifying This debased condition is often attributed to among other things the resurgence of religion in public life Steven Smith argues that this diagnosis has the matter backwards it is not primarily religion but rather the strictures of secular rationalism that have drained our modern discourse of force and authenticity Thus Rawlsian ldquo public reason rdquo filters appeal This book presses us to look harder at closely held beliefs and to question deeply rooted premises and commitments with which we are perhaps too comfortable Richard W Garnett Notre Dame Law School Smith s book is insightful provocative
