Monographs in Philosophy):

This is a penetrating reinterpretation and defense of Hegel s social theory as an alternative to reigning liberal notions
of social justice The eminent German philosopher Axel Honneth rereads Hegel s Philosophy of Right to show how it
diagnoses the pathologies of the overcommitment to individual freedom that Honneth says underlies the ideas of
Rawls and Habermas alike Honneth argues that Hegel s theory contains an account of the psychological damage
caused by From the Back Cover Axel Honneth s book is stimulating insightful philosophically interesting and
analytically sophisticated Its main contribution lies in its sympathetic philosophically acute reconstruction of Hegel s
position on individual freedom whic
