By Jürgen Habermas : The Crisis of the European Union: A Response dysfunctional eu has plunged into an existential crisis george soros warns brussels billionaire george soros has warned the european union is now

dysfunctional and the European Union (EU) is a political and economic union of 28 member states that are located primarily in Europe. It has an area of 4,475,757 km² (1,728,099 sq mi). **The Crisis of the European Union: A Response:**

0 of 0 review helpful Good pedagogical value By Alex In this book Habermas advances his latest visions for a new global citizenry that can transcend national borders. If you are already acquainted with his box of philosophical tools, you will appreciate seeing him putting some of these tools to use in analyzing a recent set of issues. On the other hand, if you are not too familiar with his key concepts (legitimation crisis), Translated by Ciaran Cronin. In the midst of the current crisis that is threatening to derail the historical project of European unification, Jürgen Habermas has been one of the most perceptive critics of the ineffectual and evasive responses to the global financial crisis, especially by the German political class. This extended essay on the constitution for Europe represents Habermas's constructive engagement with the European project at a time when the continent's most prominent intellectuals, a social political theorist of the highest standing. In pinpointing the lack of democratic participation, he builds a case that Europe's leaders will sooner or later have to answer. *Financial Times*
