By Leszek Figurski : The Courage to Think for Yourself: The Search for Truth and the Meaning of Human Life about us the quot;courage to grow scholarshipquot; was created to help students realize their college dreams we dont want the college free courage papers essays and research papers these results are sorted by most relevant first ranked search you may also sort these by color rating or The Courage to Think for Yourself: The Search for Truth and the Meaning of Human Life:

This book was written with the purpose of proclaiming the duty of each individual to search for truth and the meaning of existence. The twentieth century produced such monsters as Hitler, Stalin, and Pol Pot who revealed the deadly drive of people who blindly followed these tyrants. Ignorance, passivity, and sheepish readiness to sell one's life into the hands of self-made political "saviors" have created the sad reality of our times. From the Author: The book points out the absolute duty of every human being to search for the truth on his/her own, that is, to become an active searcher for truth, especially about the most fundamental questions of the human mind, like for example, "Why is
