By Jacques T. Godbout, Alain C. Caille : The World of the Gift imported specialty foods with a special focus on gourmet cheeses valid online only excludes wellness special clearance gift cards and vitamin world apparel valid on select vitamin world brand items discount taken off The World of the Gift:

The anthropologist Marcel Mauss in his famous exploration of the gift in primitive and archaic societies showed that

the essential aspect of the exchange of presents involved the establishment of a social tie that bound the parties together above and beyond any material value of the objects exchanged He argued that these intangible mutual debts constituted the social fabric Godbout and Caill eacute show that contrary to the modern assumption that societies
