0 of 0 review helpful Lather rocks By Mary J Newbery She is the best qualitative methodologist out there This book is
a must read for all researching willing to get lost in their research and acknowledge what they don t know 0 of 0
review helpful PHd Research By Grammy My daughter has added this book to her PHd library of books It came in
great shape on time and Marks the trajectory of the author rsquo s work as a feminist methodologist In this follow up
to her classic text Troubling the Angels an experimental ethnography of women with AIDS Patti Lather deconstructs
her earlier work to articulate methodology out of practice and to answer the question What would practices of research
look like that were a response to the call of the wholly other She addresses some of the key issues challenging soc The
gift of this text is the seriousness with which Lather brings feminist poststructural thinking to bear on urgent issues of
knowledge creation as they relate to actual lives Who wouldn t love a book that asks for a less ascetic pious science
