By Kenneth Lapidés : Marx and Engels on the Trade Unions industrial organisational and labour studies 2b ii trade unions in south africa 2007 university of kwazulu natal howard college durban but is the working class the

quot;only really revolutionaryquot; class which can bring about a socialist society as the manifesto maintains Marx and Engels on the Trade Unions:

1 of 1 review helpful Five Stars By j p Delighted Virtually everything Marx and Engels ever wrote on labor strikes and trade unions has been collected in this volume for the first time It includes vivid often eyewitness accounts of many of the greatest strikes and labor struggles of the last century This original and valuable collection challenges the prevailing assumption that Marx and Engels cared little for trade unions and their role in the transition to socialism or that they had little practical involvement Every page offers nuggets of information and illumination The editing is first rate the notes copious and helpful Herbert Aptheker People s Daily World March 19 1988 Thanks to Lapides Marx s and Engels s words on an astoun
