Everyday Art of Sustainable Living:

1 of 1 review helpful Simply amazing By Customer Well written and very helpful One of my best purchases of the year 4 of 5 review helpful Every day is a chance for Better By Marvin Nash Phenomenal book combining memoir her incredible journey from cubicle to farmer the history of Better Farm and how each of us in our own way can make the world and our lives Bett Intellectual arguments alone will not sway the dominant paradigm to be motivated to create change people must be moved Art has the power to inform influence and inspire The creative impulse can quite literally change the world Better explores the intersection of sustainability and art showing how each of us can reinvent our lives as our greatest artistic achievement Presented in the context of the unique story of Better Farm a blueprint f Library Journal July 2015 Caldwell cofounder of Better Farm a sustainable farm and artists rsquo colony avows that environmental issues are universal and that individuals can create difference in making the planet including the land and pe
