From Stanislav Grof : Spiritual Emergency: When Personal Transformation Becomes a Crisis (New Consciousness Readers)

we are the first contact ground crew team assisting gaias and humanitys ascension providing esoteric information and services in spirituality and healing archives and past articles from the philadelphia inquirer philadelphia daily news and philly Spiritual Emergency: When Personal Transformation Becomes a Crisis (New Consciousness Readers):

8 of 8 review helpful So you were handed a prism without an instruction guide By Elizabeth McElroy I found myself in a completely unfamiliar and magical reality without the safety of clearly differentiated inner and outer experience The life I once knew became a shallow metaphor for what I now knew to be true reality My dreams became so vivid I could not distinguish them from reality as my reality became more and more From Spiritual Emergency to Healing and Rebirth Increasing numbers of people involved in personal transformation are experiencing spiritual emergencies mdash crises when the process of growth and change becomes chaotic and overwhelming Individuals experiencing such episodes may feel that their sense of identity is breaking down that their old values no longer hold true and that the very ground beneath their personal realities is radically shifting In many About the Author Stanislav Grof M D is a psychiatrist with more than thirty years of research experience in nonordinary states of consciousness He was born and educated in Prague Czechoslovakia and received an M D from Prague s Charles University
