5 of 5 review helpful This book is a soul gift By Kindle Customer I have a special place in my heart for Pregnant Darkness as it came to me in rather serendipitous circumstances it being exactly the book that I needed to read during a very dark and challenging period in my life Monika s description of the alchemical processes were brilliant and always illustrated with an in depth rendering of various myths as well Readers learn how to apply alchemical symbols to their lives and interpret dreams and visions A clear and practical explanation of spiritual alchemy and how it can be used for transformation About the Author Monika Wikman is a Jungian analyst and astrologer She has published articles in the major Jungian journals Spring Psychological Perspectives and Quadrant This is her first book
