possible institutional support for interdisciplinary research curricula programs and remixthebook:

Digital technology has transformed contemporary culture New social media hyperlinks and cut and paste techniques have changed the way we write E books which allow us to carry entire libraries with us are bringing new browsing and reading habits Digital editing and other on the fly postproduction processes have altered how we make music films and visual art A key rhetorical trope employed in all aspects of digital media is the remix the creation of inno Think of remixthebook as DJ Tool made from rhythms downloaded ripped mixed spliced diced and burned into our collective hard drives then re uploaded It s a piece of conceptual hardware that exists somewhere between how we experience informa
