By Lillian Moats : The Letter from Death the death treatment when should people with a non terminal illness be helped to die health information relating to virginia The Letter from Death:

2 of 2 review helpful An excellent thought provoking read dark yet uplifting By Peter R Salajka Excellent book Very profound and enlightening Death is a mysterious intriguing and brutally honest voice who we cannot ignore I was fascinated by Death s reflection on how humankind s explanation for the chaos of life was once told as being a result of the unpredictable nature of the Gods but then later as an idea Lillian Moats latest book The Letter from Death features a foreword by Howard Zinn and 20 evocative full page illustrations by David Moats This slim volume casts a bright light on how our unexamined fear of death has throughout history misdirected our energies away from the real and immediate challenges of this world and toward unnecessary war injustice and self destruction Death s philosophical essay addressed to the whole of humanity is as poignant as com
