By Michael Bakunin : Bakunin on Anarchism nature of anarchism anarchist terminology anarchism is an ideology that promotes a rejection of philosophies ideologies institutions and representatives of anarchism editors and authors

for contact please e mail us at infoatanarchism Bakunin on Anarchism:

A selection of writings by one of the most important practitioners of social revolution The best available in English Bakunin s insights into power and authority and the conditions of freedom are refreshing original and still unsurpassed in clarity and vision I read this selection with great pleasure Noam Chomsky
