By Geoffrey Hawthorn : Thucydides on Politics: Back to the Present who did thucydides trap a challenge to graham allisons pop theory that us china headed for epic conflict last month at war on the rocks marine war college professor jim lacey held forth on how to teach thucydides read the whole thing and hurry back lets Thucydides on

Politics: Back to the Present:

2 of 2 review helpful Hawthorn s analysis is generous to the surrounding scholarship and yet By Customer Hawthorn s analysis is generous to the surrounding scholarship and yet distinctive in its own voice The interpretive thesis provided are believable and practical Back to the Present is a quality lens to view both Thucydides and political acts of any era Thucydides famously declared his work to be a possession for all time and so it has proved to be as each age and generation has seen new things to admire in it and take from it In the last hundred years Thucydides has been interpreted and invoked in support of many different positions in politics political theory and international relations Geoffrey Hawthorn offers a new and highly original reading one that sees him as neither simply an ancestor nor a colleague Hawthorn acts as a careful humane guide through Thucydides account of the Peloponnesian War sympathetically exploring the importance of Thucydides historical and political thought but equally committed to resisting the temptation to reduce this endlessly
