From Griggs Steven : Practices of Freedom: Decentred Governance, Conflict and Democratic Participation
Practices of Freedom: Decentred Governance, Conflict and Democratic Participation:

The shift from government to governance has become a starting point for many studies of contemporary policy making and democracy Practices of Freedom takes a different approach calling into question this dominant narrative and taking the variety hybridity and dispersion of social and political practices as its focus of analysis Bringing together leading scholars in democratic theory and critical policy studies it draws upon new understandings of radical democracy p
