By Mark Vorobej : The Concept of Violence (Routledge Studies in Contemporary Philosophy) political revolution revolutions are commonly understood as instances of fundamental socio political transformation since the age of revolutions in the late bibliography arendt hannah 1972 crises of the republic lying in politics civil disobedience

on violence thoughts on politics and revolution new york harcourt The Concept of Violence (Routledge Studies in Contemporary Philosophy):

This study focuses on conceptual questions that arise when we explore the fundamental aspects of violence Mark Vorobej teases apart what is meant by the term 'violence' showing that it is a surprisingly complex unwieldy and highly contested concept Rather than attempting to develop a fixed definition of violence Vorobej explores the varied dimensions of the phenomenon of violence and the questions they raise addressing the criteria of harm agency v This is a masterful analysis of the debate over how violence should be understood along with the author's justification of a far more precise and logical definition of the concept A persuasive analysis of exceptional skill and elegance the b
