**By L. Calhoun : War and Delusion: A Critical Examination (Twenty-first Century Perspectives on War, Peace, and Human Conflict)** we would like to show you a description here but the site wont allow us this documentary film goes in detail through the untold history of the project for the new american century with tons of archival footage and connects it War and Delusion: A Critical Examination (Twenty-first Century Perspectives on War, Peace, and Human Conflict):

Calhoun examines the centuries old paradigm of just war theory to determine whether modern just war rationalizations constitute sound justifications or pro military propaganda Her work reveals how the practice of modern war contradicts the most basic values and principles of modern Western democracies This work is timeless and timely It is timely because it helps shed light on our understanding of contemporary wars beyond the just war paradigm it is timeless because the critique is well crafted and substantive enough to endure the test of time The au
