Global Middle East):

During the Iranian Revolution of 1978-9 the influence of public intellectuals was widespread. Many espoused a vision of Iran freed from the influences of Westoxification inspired by Heideggerian concepts of anti-Western nativism. By following the intellectual journey of the Iranian philosopher Ahmad Fardid, Ali Mirsepassi offers in this book an account of the rise of political Islam in modern Iran. Through his controversial persona and numerous public and private ap
