0 of 0 review helpful A light for dark places By Brett Watts A terrific journey into the soul of a real initiate Warlock Asylum This book is full of uplifting stories real personal struggles great information but most of all it gives you a great chance to feel out the personality of the author I would not recommend this book as your very first Warlock text as it doesn't follow the classic scholarly research The Dark Knight of Nyarlathotep written by Messiah el Bey is considered by many scholars to be one of the most valuable pieces of literature in the modern age Bey is able to guide the reader through a mystical initiation and back to reality with renewed clarity
