**By Rebecca Cooper : The Logical Influence of Hegel on Marx** one of marxs most important intellectual influences was the philosophy of george friedrich hegel 1770 1831 hegels signature concept was that of the life and writings of hegel georg wilhelm friedrich hegel was born at stttgart in 1770; died at berlin in 1831 after studying theology at tbingen he devoted The Logical Influence of Hegel on Marx:

Hegel's influence on both the content and the terminology of the works of Karl Marx and Frederick Engels has indeed been so profound that a thorough understanding of these works may be said to presuppose an understanding of this relationship. Especially the terminology of the Marxists becomes intelligible only when approached through its Hegelian origin.
