70 of 72 review helpful The Road Less Traveled By Chris Ziesler My first question on seeing this book was is it going to be as successful and thought provoking as Carr s previous book The Shallows The answer is an unequivocal yes If you ve not read The Shallows I recommend that you consider reading it first because many of the thoughts and ideas from it are continued developed and extended in The Glass Ca At once a celebration of technology and a warning about its misuse The Glass Cage will change the way you think about the tools you use every day In The Glass Cage bestselling author Nicholas Carr digs behind the headlines about factory robots and self driving cars wearable computers and digitized medicine as he explores the hidden costs of granting software dominion over our work and our leisure Even as they bring ease to our lives these pro ldquo Nicholas Carr is among the most lucid thoughtful and necessary thinkers alive He rsquo s also terrific company The Glass Cage should be required reading for everyone with a phone rdquo Jonathan Safran Foer
