By Michel Serres : Rome: The First Book of Foundations ancient rome was originally an italic settlement dating from the 8th century bc that grew into the city of rome and which subsequently gave its name to the empire summary the confessions is the first autobiography in western literature but augustine meant it to be far more than simply an account of his life Rome: The First Book of Foundations:

Michel Serres first book in his foundations trilogy is all about beginnings The beginning of Rome but also about the beginning of society knowledge and culture Rome is an examination of the very foundations upon which contemporary society has been built With characteristic breadth and lyricism Serres leads the reader on a journey from a meditation the roots of scientific knowledge to set theory and aesthetics He explores the themes of violence mu ldquo In this remarkable book Michel Serres doesn t just retell the stories that lie at the foundation of Rome but takes us back to the very idea of foundation as such With Livy as his guide Serres brilliantly traces the way the myth legend history rea
