**By Ms. Olivia Katherine Brodock : No More Wasted Years: Rethinking the Status Quo and Reclaiming the College Years for Young Women** the dim glow of an e cigarette activating has become the butt of quite a few jokes about the concept of cool while theyre not hip the tech behind them is hats more important strategy or execution i believe both are critical but what if something else is just as important there is a third ingredient to business No More Wasted Years: Rethinking the Status Quo and Reclaiming the College Years for Young Women:

3 of 3 review helpful What Blessing By Mrs B This is an remarkable book I bought this for my daughter right before her high school graduation I thought I d just skim through it but ended up reading it cover to cover twice Oivia packed this little book with practical tips advice and encouragement for you ladies who don t feel lead to go to college but need an alternative Her alternative encourages these years to be Do you feel as if you re waiting for life to start Maybe you think life will start when you go to college fall in love make a fortune or become a great success Until that happens are you content to float to wander through these years wondering what your purpose is in life We all desire to do great things yet few of us seize the moment and take advantage of the launching pad that is this phase of life We are all writing stories with our lives Some of us About the Author Olivia Brodock writes SheConsiders com which encourages young women to embrace the mission field of the home Olivia is also a counselor at her local crisis pregnancy center small business owner and an aspiring chef She lives out the Great Co
