**By R. Jackson : Classical and Modern Thought on International Relations: From Anarchy to Cosmopolis (The Palgrave Macmillan History of International Thought)** Classical and Modern Thought on International Relations: From Anarchy to Cosmopolis (The Palgrave Macmillan History of International Thought):

In the tradition of the English School of International Relations theory this project from Robert Jackson seeks to show how continuities in international politics outweigh the changes. The author demonstrates how the world is neither one of anarchy as put forward by realists nor is it a fully cosmopolitan order as argued by those on the other side of the theoretical spectrum. Instead it is a world of states who acknowledge a set of moral constraints that exists between them. This is an important book, a robust defence by an influential thinker of an approach to the study of international relations that goes beyond the immediate and the instrumental. Ian Hall, *International Affairs*. About the A
