By Cheryl Mendelson : The Good Life: The Moral Individual in an Antimoral World The Good Life: The Moral Individual in an Antimoral World:

3 of 5 review helpful Five Stars By K Koomson Simply I wish all serious minded people would read this book 2 of 4

review helpful every American needs to read and contemplate just how far we've come from our imagined civil democratic society it's nearly vanished 14 of 38
review helpful The Good Life is an engaging reasoned look at American values how the angry political right hijacks and corrupts ideas about morality how the fringe political left abandons the moral outlook and how antimoralism from many sources results in cruelty harsh law dangerous irrationality corrupt religion greed and gross inequality and undermines American democracy Cheryl Mendelson reminds us how far these trends have taken us from our roots and how a humane democracy The very definitions of morality and goodness are nastily contested political flash points and Mendelson in a forceful but compassionate argument shows how this has affected our culture Entertainment Weekly Powerful meaningful and thorough She is not
