From John M Headley : The Problem with Multiculturalism: The Uniqueness and Universality of Western Civilization religion after all is a powerful constituent of cultural norms and values and because it addresses the most profound existential issues of human life eg lettre internationale 30 2009 The Problem with Multiculturalism: The Uniqueness and Universality of Western Civilization:

The horrors of the past century have done little to advance appreciation for the virtues of Western civilization Criticism of the West has mounted and the West itself has lost sight of its uniqueness Westerners tend to endow other societies with liberal philosophy and practices While politically profitable this fails to educate these societies about their own civilizations contributions to the idea of a common humanity human rights and the legitimacy of dissent Idquo John Headley who spent decades studying and writing on Western Christendom rsquo s transformation under the influence of its recovery of the learning of pagan antiquity is exceedingly well situated to assess the value of the peculiar cultural heritag
