0 of 0 review helpful Four Stars By kendell An ok book 0 of 0 review helpful An outstanding book on social change utilizing the sociological perspective By Harry Gleason Dr Fein possesses a voluminous knowledge of both history and sociology His analysis of social change as well as the unintended outcomes of addressing social problems is both fresh and insightful It Revolutionary and evolutionary theorists have very different views about change Fein writes in favour of evolution He proposes an integrated model of social evolution one that accounts for the complexity inconclusiveness and impediments that characterize social transformations This multi dimensional approach recognizes that change is always saturated in conflict Major changes are rarely initiated by conscious decisions that are automatically implemented About the Author Melvyn L Fein is professor of sociology at Kennesaw State University in Georgia and is the editor of the Journal of Public and Professional Sociology nbsp
