By Josef Pieper : Tradition: Concept and Claim pragmatism is a philosophical tradition that began in the united states around 1870 its origins are often attributed to the philosophers william james john dewey how do we know the will of god for the church on ctc radio today i hope we can generate discussion about scripture and tradition i welcome your emails at Tradition: Concept and Claim:

6 of 6 review helpful Pieper's concept of Tradition By Luisa Josef Pieper is one of my favourite writers. He is a very profound thinker and his works are very lucid, clear, and suggestive. In this book, Pieper reflects on an item which has been excluded from contemporary thinking, and his arguments show how the concept of tradition must be revisited and brought back to our culture, philosophy, and thought. Tradition by Josef Pieper's Tradition: Concept and Claim analyzes tradition as an idea and as a living reality in the lives and languages of ordinary people. In the modern world of constant, unrelenting change, tradition, says Pieper, is that which must be preserved unchanged. Drawing on thinkers from Plato to Pascal, Pieper describes the key elements and figures in the act of tradition and what is distinctive about it. Pieper argues that the handing down of tradition
