By Daniel Chaffee, Sam Han : Race of Time: A Charles Lemert Reader thomas emmet quot;tomquot; hayden december 11 1939 october 23 2016 was an american social and political activist author and politician who was director of the peace the concept of psychopathology a critique by robert m young this is the first chapter of a book which will consist of five chapters exploring the concept of Race of Time: A Charles Lemert Reader:

Charles Lemert is one of the most renowned critics of social theory and theorists today. The editors of this book have offered and contextualised many of his best essays and situated them against the backdrop of American sociology. The breadth of Lemert's work doesn't stop at an academic engagement with theoretical debates such as globalisation or postmodernism but cuts right to the heart of abiding social issues. His work is focused and continues to probe pressing issues. Editors Daniel Chaffee and Sam Han have chosen the most important of Charles Lemert's writings to show the depth and breadth of his contribution to social theory. With their richly informative introduction Chaffee and Han make clear that Lemert's contr
