From MPublishing, University of Michigan Library : Telemorphosis: Theory in the Era of Climate Change (Volume 1) Telemorphosis: Theory in the Era of Climate Change (Volume 1):

This volume gathers notable critics and philosophers to engage the predominant impasse of an emerging era of climate change and ecocatastrophic acceleration that is how to conceptual and critical practices inherited from 20th century

master thinkers — who took no account of these emergences and logics — alter adapt mutate or undergo translation at the current moment Rather than assume that the humanities and philosophic practices of the past routed in the r
