You won't see the world in the same light after reading this urgent and inspiring call to action. In this thought-provoking book Dutch philosopher Floris van den Berg proposes a new perspective called universal subjectivism which can be adopted by anyone regardless of religious or philosophical orientation. It takes into consideration the universal capacity for suffering and through raising awareness seeks to diminish that. About the Author Floris van den Berg is a lecturer on environmental philosophy at Utrecht University in The Netherlands. He is also the executive director of the Center for Inquiry Low Countries and vice president of the freethought association De Vrije G.
