By Rob Stones : Why Current Affairs Needs Social Theory what can uses and gratifications theory tell us about social media the major in accounting at uga is designed to give students an understanding of the theory of accounting as it is used in our society accounting standards financial Why Current Affairs Needs Social Theory:

Television news is frequently disparaged by thoughtful commentators for its preoccupation with drama and spectacle

at the expense of serious in depth engagement with the critical issues it covers Whilst insisting these charges possess more than a small dose of truth Rob Stones argues for more emphasis to be placed on strengthening the capacities of audiences Drawing from major traditions in social thought and on academic media analysis Stones provides the conce ldquo This is a fascinating book that operates at three levels First it is a study of the social construction of news and current affairs Secondly it uses social theory to help us understand how the debasement of news and current affairs can be corrected
