By Rainer Forst : Justice, Democracy and the Right to Justification: Rainer Forst in Dialogue (Critical Powers)

Justice, Democracy and the Right to Justification: Rainer Forst in Dialogue (Critical Powers):

Over the past 15 years Rainer Forst has developed a fundamental research programme within the tradition of Frankfurt School Critical Theory. The core of this programme is a moral account of the basic right of justification that humans owe to one another as rational beings. This account is put to work by Forst in articulating both historically and philosophically the contexts and form of justice and of toleration. The result is a powerful theoretical framework within
