By Havelock Ellis : The Dance of Life a vaudeville comic and a pretty young dancer arent having much luck in their separate careers so they decide to combine their acts in order to save money on the the couple in the foreground represent the final stage where the dance of life turns into a dance of death they glide through the motion like somnambulists The Dance of Life:

a selection from the PREFACE THIS book was planned many years ago As to the idea running through it I cannot say when that arose My feeling is it was born with me On reflection indeed it seems possible the seeds fell imperceptibly in youth from F A Lange maybe and other sources to germinate unseen in a congenial soil However that may be the idea underlies much that I have written Even the present book began to be written and to be published in a prelim
