philosophy and Eutopia: New Philosophy and New Law for a Troubled World:

The human world is in a mess The human mind is in a mess And now the human species is threatening its own survival by its own inventions and by war For thousands of years human beings conducted a great debate about the human condition and human possibilities about philosophy and society and law In 1516 Thomas More in his book Utopia contributed to the ancient debate at another time of profound transformation in the human world In our own time we Allott s Eutopia is audaciously ambitious and unconventional in style and content It seeks no less than to do for the 21st century what Thomas More s Utopia and Francis Bacon s Great Instauration did in the English Renaissance To hel
