By Theo Hobson : Faith (The Art of Living) it is often said that islam bans images of people or animals but this is false the koran itself has very little to say on the subject and the a curated blog featuring art photography architecture

design and animation from established and emerging artists around the world Faith (The Art of Living):

In Faith the theologian Theo Hobson explores the notion of faith and the role it plays in our lives He unpacks the concept to ask whether faith is dependent on religion or whether it is also a general secular phenomenon In exploring this question Hobson ranges widely over theology philosophy politics and psychology and engages with the writings of Christian and atheist thinkers alike The book begins by considering attitudes to faith in recent works of atheism Ho
