By Richard D. Ryder : Speciesism, Painism and Happiness: A Morality for the 21st Century (Societas)

Speciesism, Painism and Happiness: A Morality for the 21st Century (Societas):

Richard Ryder created the term speciesism in early 1970 and shared the idea with Peter Singer who popularised it in his classic work *Animal Liberation* 1975. A key figure in the modern animal rights revival, Ryder appeared on the first ever televised discussion of animal rights *The Lion's Share* Scottish Television in December 1970. He further promoted the ideas around speciesism in recorded discussions with Bridget Brophy for the Open University. Speciesism is a prejudice like racism or sexism, only applied to our attitude to other animals. It sees humans as superior to all other species and it sees glamorous rare animals as superior to common ones. But to the zoologist, every living species is the
